

900

900  
SUV

## How to match our light's curvature to your vehicle.

With our template printed. Open either front door and hold the template to the door edge at the height of where the lights will be mounted. Compare each option to ensure a correct fit. For this vehicle the 900SUV was the best match.

**Model 900, 902  
920 and 922  
Mounting Options**
